Fire for Effect 2017

The “Small Art Objects” event is a competition highlighting artworks with a maximal dimension of 15cm x 15cm x 15cm.

The fourth edition on the theme «Fire for effect» takes place in Vallauris from July, 1st to August 13th, 2017.

Over a hundred creations of artists from over twenty countries are presented at the Atelier A.I.R. Vallauris. This new space located at 21 avenue de Cannes has been established with the support of the Regional Council of Provence-Alpes-Côte d’Azur for the new programme Atelier Tremplin. This exhibition has been configured within the context of the ceramic studio.

The exhibition also coincided with the traditional *Fête Picasso* of Vallauris, which occurred on **Saturday 15th July**. The ten winners of the Small Art Objects competition, rewarded by a Jury of Art specialists, have been announced during this day of festivities.
